Charley, Super to hear from you as we have so many "Mutual Kewpies". I will always have immense pride in being part of Coach McLeods staff when we won the State Championship and if you have a way for me to contact Kay I will do so. All of the people you mentioed remain vividly in my memory! My wife Peggy Fisher Sloan lived right behind the football field on Washington and we're heading toward our 48th year of marriage. Charley, last month I received the greatest honor in my life as an Inductee into the Missouri Sports Hall of Fame. Coach Bob Murrey my Basketball Coach from Hickman attended as well as Kewpies Tom Watson, Earl Hopper and Don Merkle. I will send you the information which appeared in the Program to use as you see fit. I am also greatly honored to be a Kewpie focus for any month as I still bleed Purple and Gold! For your info I am the 2nd Kewpie to be individually inducted into the Missouri Sports HOF with Coach Bob Vanatta being the other. Kewpie Bob Musgrave was part of Missouri's National Championship Baseball team that has been inducted as a team. Sorry to hear about Pete McDermott,. We've lost Pete, Mike Richardson and Charley Cottle off that great 62 State Championship Team. Give my regards to Kenny Ash, Phyllis, Phil, Schuppan and all the others of our era. Charley thanks again on behalf of all Kewpies for maintaining the web site and information of those who attended America's BEST HIGH SCHOOL! Russ Sloan
