## **President's Message**

We had great fun and a very successful sale at the Boone County Farmer's Market on May 6. Thanks to all who helped. Thanks especially to Joan Goodwin who put the advertisement out on the CMHS Facebook account. A good number of the people who came to the market said they came specifically for the daylily sale. Joan has been digging the Brazos plants on Clinkscales Road. Contact her to assist and/or seek out certain flowers.

We (your CMHS officers) have been making a concerted effort to update all of the information on all the web pages that link us to the greater daylily world. This includes our CMHS, Region 11, and AHS contact pages. Please let our webmaster or one of the officers know if you find a place that was overlooked. We have had inquiries about membership in CMHS from these links, so they are being used. See the list of all of our links elsewhere in this newsletter.

Join us June 11th to get all the information you will need to enter and enjoy our upcoming Daylily Show. In the meantime, watch this information from AHS for tips on transporting your flowers to the show:

## *Keeping up with our members*

by Carol Schultz

### **Bob and Eric Tankesley-Clarke:**

That beautiful Monday, April 24, Carol and Leemer took a road trip and found Eric clearing weeds and brush at Adamgrove. Iris, lilac, and beauty bush were in bloom. Bob came out on the porch to visit and pose for this picture. Eric plans to work on the daylily beds next, always checking the daylily seedling bed to scope out future introductions.

### **Mary Ellen Laprise:**

That same day, we visited Mary Ellen to pick up the gift plant I chose at the 2016 Holiday Party (Lakota by T-C). She is redoing her landscaping and offered a long list of daylilies to CMHS members willing to come dig them out. Several people took her up on this good deal (some we sold on May 6). Thank you Mary Ellen for your generous offer.

## Minutes from CMHS Meeting, April 9, 2017

### Program

Wayne Merrill gave an interesting presentation with slides of his visits to the Denver Botanic Garden and the Missouri Botanic Garden in the summer of 2016.

### Meeting

President Carol Schultz presided over the meeting.

Minutes and Treasurer's report were approved as written.

Carol announced that the Daylily Show will be on Saturday, July 1 **not** July 8 as shown in the newsletter.

She also advised that the CD has been cashed so that we would have funds for our operating expenses.

### Club MoKanOk donation

A resolution motion was made and seconded to allow the Executive Committee to each year determine how much to donate to MoKanOk Editor's Fund depending on our financial circumstances,.

### Committee Reports

#### Spring Plant Sale May 6 Columbia Mall

Karen Blackmore stated that she has reserved a spot at the Columbia Mall for our plant sale. The Mall will provide tables and bring a tent. Mary Ellen LaPrise will also donate daylilies to the sale. We will need additional daylilies besides the ones heeled in from last year's sale. The sale has been advertised in Rural Missouri (Rural Electric Coop newspaper) and in the Garage Sale section of the Columbia Daily Tribune from Wednesday - Saturday. It is requested that everyone who can come to help clean the daylilies that are heeled in early on Sat.

#### Blaise Brazos Daylilies

Karen also reported that the daylilies at the Clinkscales location are marked pretty well. There was discussion about having the Blaise daylily sale at the house while they are in bloom in June or July. We could advertise that people can come dig their own.

#### Daylily Flower Show

Alice Havard reported that the Daylily Show will be on Saturday, July 1 in the Boone County Regional Library in Columbia. This year's theme is "Eclipse" and designs will have song titles such as: Me and My Shadow, Still of the Night, and You Are my Sunshine. The judges are accredited AHS members. It was decided that we would not give cash prizes but just give ribbons and "legacy gifts" for winners. Members are asked to sign up for various categories the day of the show.

#### Dues Taskforce

Carol Schultz asked for volunteers for a task force on Restructuring our dues. She will lead it along with Susan Kitchen, Treasurer. Wayne Merrill volunteered to be on the Task Force,

#### Drawing

A drawing was held for a batch of morels or a choice of two daylilies. The morels were won by Charlie Blackmore and Karen Blackmore and Rita Gerke each won a daylily donated by Patti Waterman.

The next meeting will be on Sunday, June 11.

Meeting was adjourned.

Respectfully submitted,

Rita Gerke, Secretary
