PRESIDENT'S MESSAGE

Hello Everyone!

What a wonderful spring! My beautiful daylilies from last year have made a nice hedge this year! Plus, they were not nearly at peak last year at Regional and I have bloom already! I keep thinking it would be nice if this is a permanent thing. I should have lots of daylilies for the sale!

I will not be able to attend the June meeting. Blaise will stand in for me. Try not to give him too much trouble! Alice will have the program on preparing for the daylily show and hopefully some members will have slide shows. I will be back home in time for the daylily show on June 23 and hope all of you are thinking about how you can participate. Alice, choose a design for me and let me know what I am doing! I love a challenge!

Charley has put the information on the web site:

<http://www.centralmodaylily.org/> about the photo contest. Please let Nancy know if you are entering so she can plan accordingly. I hope photos are not all we have!

Plans are being finalized for the bus trip to Patti's! Carol has more information in this letter. We made an executive decision to take the cost of the bus out of the treasury. We have no big plans in the near future and between our checking account and the CD, we felt we have money for a treat for ourselves and I have every reason to believe this will be a great one! Patti assures me she will have bloom still. I have had several of you tell me you have not been to her garden and want to go.

Finally, now is a good time to be thinking about our sale in the fall. I plan to look over my daylilies with an eye toward thinning out as mine are almost to the point of running together. If we plan well and work at it, we will have another great sale August 24-25! See you at the library for the Daylily Show on June 23!

Karen
