Directions to the Extension Center, 1012 Route UU, Columbia, MO – Take the Midway exit off of I-70 (just West of Columbia). Route UU is Southeast of the exit. The Extension Center is the first Building on the left on UU.

## President's Message

Thanks to all who helped with the plant sale. Sales were good on such a cold day.

Preparations for the show will be the focus of the June meeting. It's fun to see the public enjoy looking at the arrangements and individual flowers.

I cut some scapes to use in Memorial day arrangements. I'm old fashion and like using fresh flowers.

See you at the meeting.

Sue

## Spring Plant Sale

Thanks to everyone (either by assisting at the sale, purchasing, and/or providing daylilies) who worked to make our spring sale a success. For a cold, windy, day we did pretty well!! We had 4-5 people stop by to tell us how well and how beautifully the flowers they had purchased from us in the past were doing. That is very gratifying - keep spreading the word.

Gross receipts: \$819

Expenses so far:

Booth rental \$75

Tribune add. \$40

Table rent. \$17.98

Square fees (for cc purchases) \$3.38

Total expense. \$136.36

Net profit so far \$682.64

Carol Schultz

## "Daylily Denizens"

The show is July 9th at the Columbia Public Library.

Exhibits may be brought to the rear entrance from 8 am to 9:30 am. Late arrivals (after 10 am) will be entered for display only. All entries must be exhibited in clear green bottles furnished by the exhibitor. Entry tags will be available at the meeting or at the show. All entries must pass through classification before being placed.

Judging starts at 10 am. Please check the name of your daylily so there will be less time spent on puzzles at the classification table. Removal is 4-4:45 pm.

Design classes -daylilies must be the predominant flower in all designs.

Section 1: all fresh Eligible for the Tricolor Award

Class A. "Deer Candy" An exhibition table type II

Class B. "Cat Nap" any design type

Class C. "Leap Frogs" a multi rhythmic design

Section 2. Fresh, dried, and or treated plant material as well as wood may be used

Class D. "Bee Line" any type of design.

Demonstrations of Class A and Class C as well as grooming will be given at the club meeting on June 12.

Alice Havard

### **ANNOUNCEMENT**

#### **Photo Display/Contest at CMHS flower show June 27, 2015**

Purpose: to further public interest in the beauty of daylilies and to showcase the photographic talent of our members.

Subject: The Wide World of Daylilies - daylilies must be prominent – macro to wide angle: blossom portraits, companion plant pairings, landscapes, nature and daylilies, people and daylilies. Let's show daylilies in life beyond the show table.

Photos: accepting color prints of 8 x 10" size, (may be mounted on foam board) without borders. Push pins will be used to by event organizers secure them to the wall.

Photographer: Members of the clubs sponsoring the show may enter. Name, address and phone on back of photo and a show entry tag for each photo are to be used (with name of cultivar(s) if available). No photographer identification on the photo itself.

Limit: Probably 3-4 entries per member. It is important that you pre-register by emailing Leemer Cernohlavek at: [leemer@redbirdhill.com](mailto:leemer@redbirdhill.com) by July 9 with your name and the number of entries you expect to submit. Then I can figure out and confirm with you how many entries per member.

Entries will be accepted Sat. morning from 8 to 9:30 am.at the Daniel Boone Regional Library. Photos must remain on display for duration of the show. Pick up will be at the close of the show at 4 pm.

Judging: The visiting public will cast viewer choice votes, which will be tabulated at 3:00 on the day of the show, then announced.

CMHS reserves the right not to display submissions that are found to be unsuitable.

Although care will be taken, CMHS cannot be responsible for loss or damage.  
Images taken of the photo show may be used in educational or promotional materials of CMHS.

### **Minutes from CMHS Meeting, April 10, 2016**

President Sue McConnell presided over the meeting. There were 23 people in attendance. Sue asked for any corrections or additions to the previous minutes and Treasurer's Report. Carol Schultz stated that the \$116.00 deposited on 2/29/16 should be listed as \$111.00 auction income and \$5.00 membership instead of all membership as shown.

Sue asked for a motion to accept the correction. Patti Waterman made a motion and Nancy Rold seconded the motion. Motion was voted on and passed.

The previous meeting minutes and treasurer's report were accepted as published and corrected.

### **Committee Reports**

#### **Spring Plant Sale**

Charlene Larkin stated that the Spring Plant Sale, Saturday, May 14, would only be at the Columbia Farmer's Market. She has made signs and requested ads to be placed in the *Rural Missourian* and the Columbia Daily Tribune. Tables would be rented from Lindsey Rentals. She has tag labels that are to be placed on the roots.

Karen Blackmore stated that Sue McConnell has extra blank tag labels from McConnell's Plantland. She suggested that we purchase 3 boxes for our future use at plant sales. She made a motion and Charlene Larkin seconded that we make such a purchase. Motion passed.

#### **Daylily Flower Show**

Alice Havard stated that the Daylily Flower Show would be held on Saturday, July 9 at the Columbia Library. She mentioned that the date was chosen so as not to conflict with national and regional flower shows.

The title of the show will be "Daylily Denizens" in reference to deer and other creatures that affect daylilies. She read a list of assignments to cover all aspects of the show. Patti Waterman stated that she has gotten judges for the show.

Help will be needed in the classification area beginning at 8:00 on the morning of the

show. It was stated that there will be one computer on hand to look up varieties.

### **Old Business**

Patti Waterman again brought up the issue of our club holding a regional meeting. Some discussion was held and it was decided that we need to make a decision at the next meeting.

There was discussion of gardens with daylilies that might be available for tours. It was suggested that we use public spaces, i.e., Stephen's Park, Giving Gardens, Jefferson Farms, Bradford Farms, etc, so that we would not have to rely so much on private yards. It was also mentioned that Mizzou Campus is a botanical garden and people might enjoy going there also.

The issue of parking buses for tours was discussed. There could be anywhere from 120 to 180 people going on tours which might create problems at some in some areas. It was mentioned that at some meetings, group tours have been held on Saturday and then a list of private gardens given for individuals to visit individual gardens privately.

Carol Schultz stated that we could save money if we had bus tours only on one day.

### **New Business**

Carol Schultz mentioned that Jesse Emmons is planning a clean up day at Bradford Farm. Karen Blackmore mentioned that she has a diagram of the daylilies planted there.

### **Book Sale of *Double Daylilies: Twice the Fun***

Sue McConnell stated that we are required to purchase 10 books as a group. We have requests for only 3 books so the Club will not be making a bulk purchase.

### **Daylily Drawings for April**

\$100 Charlene Larkin

\$50 Susan Kitchen

It was mentioned that the Iris Society is having a Japanese Iris Show at the Columbia Library on June 11.

### **Program**

Billie Long gave an interesting program on pollinators. She showed Guidelines for Butterfly Gardening. Then she did a presentation of various butterflies, their larva, host plants and food plants.

Meeting was adjourned,

The next meeting will be on Sunday, June 12.

Respectfully submitted,

Rita Gerke, Secretary
