Fall Daylily Sale

August 4-5

Holiday Party

December 2

All club meetings this year begin with a potluck meal at 1:30 p.m.

Directions to the Extension Center, 1012 Route UU, Columbia, MO – Take the Midway exit off of I-70 (just West of Columbia). Route UU is southeast of the exit. The Extension Center is the first Building on the left on UU.

Newsletter submission deadlines:
Jan. 15, March 15, May 15, Sept. 15

President's Message

Hello Everyone:

Thanks to all those who helped out at the Farmer's Market sales on May 6. We had a successful day and look forward to seeing more daylilies blooming in our community. Twenty three people enjoyed a beautiful day on our May 14 outing to the home of Jesse Emmons and Clarice Brown. Our summer of fun continues with upcoming events described in this newsletter.

As our financial situation stabilizes, we need to contemplate how best to use the money. I am working on a proposal that would award a registration to the 2019 Springfield Regional meeting to those who have been assisting with sales and other events. I would really love to have at least 10 CMHS members attend the 2019 Regional in Springfield, especially to assist with the hospitality room we will sponsor. So save the date and volunteer for something.

The other proposal that the Leadership Team has discussed is the purchase of a daylily collection from a hybridizer to use as the plants that are raffled at our meetings. This would bring new varieties into our area and beautify our daylily gardens. The process for purchasing, distributing, and bringing back the flowers needs to be developed. Think about these suggestions and we will discuss and finalize these items at the October meeting.

Leemer and I are going to the AHS National Convention in Myrtle Beach, SC June 6-9, so will not be back in time for the meeting on June 10. Have a good meeting and see you next time

Carol Schultz,
CMHS President

June Program

The June meeting will feature planning for the upcoming flower show on July 7th. Due to the loss of some long-time members and health issues among others, additional help will be needed in both placement and classification. It is really important that everyone be at this meeting so that planning can be finalized and more information shared. This is a time when member support is really needed for one of the premier club events of the year. We all want it to be a success. If for some reason you cannot be at the meeting but are able to assist on July 7th, please contact Alice Havard directly.

Also, the October 14th meeting will feature a hybridizer presentation by Bob and Eric Tankesley-Clarke.

- Patti Waterman

Many of our members enjoyed the May 14 visit to the Brown-Emmons gardens:

Local Garden Visits Planned:

June 24, 2018 (Saturday Dawn to Dusk): Field trip to Natures Melody Nursery in Warrenton, MO. Tom and Laura Hood invited us to join them at their annual open garden and we are taking them up on their invitation! (Timing, carpooling, and a group lunch will be discussed at our meeting)

July 4, 2018 (Wednesday, 9:00-noon): Rold Garden 4th of July Open Garden. Join Nancy and Ron at their place to look over the newest seedlings blooming at Glory Be Gardens in Hallsville. 12151 N Nicole Drvie, Hallsville (just 15 min from Home Depot), 4th house on left. (www.glorybegardens.com)

A visit to Jeff Troyer's garden in Jacksonville, MO is in the works.

OPEN GARDENS ON JULY 8: We are looking for members willing to list their garden as an “open garden” on the Sunday after our annual Daylily Show (July 7 at Columbia Public Library). Open garden hosts provide a contact name and phone number along with directions and/or a map to your yard that is distributed at the Daylily Show. You list the hours that you will be available to host visitors on Sunday July 8. There is no obligation to provide any refreshments, however, some have provided water and other drinks depending on the weather. Size of the garden and proximity to Columbia are not an issue as many people want to take a nice drive on Sunday to view a beautiful yard or garden.

Daylily Sales & Picnic

Outstanding results from the spring sales – see the spreadsheet at the end of this newsletter. A big thank you to everyone who helped make this sale a success. We had approx. 100 plants left over; they are planted at my house and I will bring them to the fall sale. We had a lot of yellow left from the spring sale. Doubles were the big hit as well as reds, purples and the spiders. We did not start out with a lot of spiders, so that may explain not having many left. The weather was good, as was the company.

We have a customer from the Orr St. Sale who is looking for the daylily named **Nosferatu**, so if someone has that one and would like to dig a piece of it, we could get it to her for the fall sale. She has asked for it last fall as well as this spring, so I told her I would ask our members if they have it.

As a reminder, the fall picnic is Aug. 3 at the Buford Shelter at 5:00, we will eat around 6:00. Daylilies will be divided for the sale locations after everyone is done buying. The sale is Aug. 4 and the Orr St. Market sale is on the 5th. We will need helpers at all locations, more at the Parkade Plaza location, due to the volume of people there. I do have labels, rubber bands and markers that I will be bringing to the meeting. Charlene Larkin

Regional Happenings in 2019

Save the date: June 28-29, 2019 the AHS Regional Meeting 11 meeting will be held in Springfield. The Ozark Daylily Club is a big part of the planning and are lining up a great program. CMHS President, Carol Schultz, committed CMHS to organizing the hospitality room for Friday evening attendees. CMHS will provide several incentives for members to attend this meeting and support the Ozark Daylily Club.

Keeping up with our members

by Carol Schultz

We were so pleased to catch up with Marie Gentsch, otherwise known as Clarice's mother. She lives near Clarice and came over to join us at the garden visit on May 14.

Minutes CMHS Meeting, April 8, 2018

Program

Nancy Rold, a local member hybridizer, gave an interesting PowerPoint presentation describing “behind the scenes” tasks of hybridizing from bloom to pollinating, to labeling, to planting seeds, to growing new seedlings, then back to flowering of the new daylily. It is a process not to be taken lightly as there are many years and a lot of work in the process.

Meeting

President Carol Schultz presided over the meeting.

Minutes from the October, 2017 meeting were approved as written. There was no meeting in February, 2018 as the meeting was cancelled due to ice on the roads.

Norma Mountjoy, gave the Treasurer's report. Our current balance is around \$8000. Our monetary situation is improved mainly due to all the effort the club has put in digging and preparing the Brazos daylilies for the sales.

Announcements

Let Joan Goodwin (573-289-0189) know the name/s of any daylilies you plan to bring to the spring plant sale. She is posting pictures of the "for sale" daylilies on CMHS Facebook page (www.facebook.com/CentralMissouriHemerocallisSociety).

Membership Chairman, Clarice Brown, has released her position. Norma Mountjoy, Treasurer, will take over the Membership Chair duties. Send both dues and membership information to Norma. Carol thanked Clarice for her many years taking care of the membership duties.

The 2018 Handbooks are now available and members attending the meeting picked them up. Two date changes were noted from the first page: Flower show date is July 7 not July 9, and the Orr Street fall plant sale is on August 5 not August 6. Also due to construction of the new facilities at the ARC, the Columbia Farmer's Market has a temporary location at Parkade Plaza on Business Loop 70 in Columbia.

Plant Sale

Charlene Larkin advised that we are set up at all three venues for the spring and fall sales: the Columbia Farmer's Market at Parkade Plaza, the Boone County Farmer's Market at Columbia Mall, and the Sunday Farmer's and Artisan's Market on Orr Street.

- Contact number for Sales Coordinator, Charlene Larkin (573-875-5899).
- Charlene has labels and rubber bands if anyone needs them for the sales.
- We will need 3 tables for the spring sale to be used at the Columbia Farmers Market. Let Charlene know if you can furnish a table.
- We will need volunteers for all three locations. Please plan to help if you can – the more the merrier and easier for everyone.
- We will be selling Blaise Brazos daylilies left over from the 2017 fall sale plus any that members plan to bring. We would particularly like to have some doubles if you have some.
- Joan Goodwin has boosted the Facebook page and is getting quite a lot of interest.

Fall member's only sale and picnic

Charlene Larkin reported that Buford Shelter at Cosmo Park is reserved for the August 3 picnic and plant sale. This is the same shelter we have used previously. The Fall Farmer's Markets sales are Aug. 4 and 5.

Blaise Brazos Daylilies

Karen Blackmore advised that she had talked to Blaise's niece and was advised that the family has sold all properties except the one on Spencer Ave. The family has determined that they are concluding the

process. CMHS members at the meeting were in agreement that we would also conclude our efforts. The donation of Blaise's daylilies has been very beneficial for CMHS.

Upcoming Events:

Emmons and Brown Garden Tour - May 14 – Joint garden tour for CMHS and the Columbia Garden Club. We can park our cars at Sue McConnell's (formerly McConnell's Plantland, 1601 Earthland Road, Columbia) to car pool to Jesse and Clarice's garden. Meet at McConnell's at 8:30 a. m. and bring a lunch, water/drink and a chair.

Rold's Open Garden - July 4 – The Rold's have invited us to visit their garden plot from 9:00 a.m. to noon. Nancy has many daylilies that she has hybridized. (12151 N. Nicole Drive, Hallsville - 573-696-3223)

Flower Show

July 7 – The Daylily Flower Show will be at the Columbia Public Library from 1:00 to 4:00 p.m. Please contact Alice Havard (573-445-4624) if you can help with set up at 2:00 p.m. Friday afternoon and again Saturday morning from 8:00 to 10:00 a.m.

AHS Region 11 Regional Meeting

June 29 - July 1 – Topeka, KS. Go to www.ahsregion11.org/Summer_Meeting.html for additional information.

2019 AHS Region 11 Regional Meeting – Carol Schultz advised that the Ozark Daylily Club in Springfield has agreed to hold the 2019 AHS Region 11 Regional Meeting in Springfield. Coordination of this event is being done by the Region 11 Board. CMHS has been asked to set up and host the hospitality room for the Friday evening event. She is working on a proposal that would give CMHS members the opportunity to earn a free registration in exchange for volunteer hours at any of our events this summer. Volunteer!!

AHS National Convention – The national convention is being held in Myrtle Beach, SC, June 6-9. Carol Schultz and Leemer Cernohlavek are planning to attend. Vice-President, Patti Waterman will convene the CMHS meeting on June 9. <http://www.daylilies.org/AHSconv.html>

Respectfully submitted,
Rita Gerke, Secretary
