President's Message By Bob McConnell

First it is important to thank each and every one of the club members that worked so hard for us to have a successful plant sale. Without the work and cooperation of the noble volunteers it just would not have happened. A special thank you goes out to those that took leadership roles to help pull it off.

We are looking for this same kind of cooperation and efforts in the coming months so that we may have a great Regional meeting in the coming bloom season. It will take all of us working together to have success and with that spirit of cooperation it will be fun.

We are lucky to have Nicole Harry for the program this month. Just a few minutes on her web site and one is ready to open up your checkbook. With that in mind, just be ready at this meeting. She has graciously sent some plants for us to auction at this meeting. She is doing this as a way help the club reduce the cost of her coming.

In one way it is a time of sadness in the garden is going dormant, but the flip side of that is weeding gets a little time off and maybe we won't have to mow for a little while.

We are looking for people that want to chair the Christmas Party.

I look forward to seeing you on Sunday and enjoying the great food, good company and a wonderful program.

Bob

Nicole Harry, Guest Speaker, Oct 10

Nicole Harry, hybridizer from Apopka, Florida, will be our guest speaker at the October 10 meeting. Please help us welcome Nicole to central Missouri. Oh, don't forget your pocketbook. Nicole has sent us 24 of her plants to auction off at the meeting.
