## President's Message

Here we are. It is fall and October already. It certainly is true that time seems to go faster as one gets older. I'm sad that summer is ending, but I love this time of year.

For those of you that did not attend the special presentation by Patti from the University of Missouri Plant Diagnostic Clinic on September 7<sup>th</sup>, you missed a great program. She is a very nice lady and it was an excellent program. She even left with a few daylilies, thanks to Carol and Leemer.

The speaker at our October meeting will be Michael Bouman, Regional 11 president. This should be a fun meeting, so please plan to attend!

The fall sale went well from what I hear, as I was not able to attend. Carol can fill everyone in on the numbers. I look forward to seeing everyone soon!

Leslie

## October Meeting

Michael Bouman will be our speaker at the October meeting. Michael is our Regional 11 President and has been hybridizing daylilies for several years. Please plan to attend and see his latest. We toured his garden at the 2014 Regional in St. Louis this past summer and we know you will not be disappointed.

CMHS Vice-President, Sue McConnell has quietly and efficiently directed many activities for CMHS over many years. She along with spouse, Bob, work as a team to do what needs to be done for the club and their own business. She recently was a big helper digging and processing the Bradford Farms Daylily Bed and worked alongside the other volunteers who came to McConnell Plantland to get these plants ready for the sale.

### **Minutes from CMHS Meeting June 8, 2014**

President Leslie Rule led the meeting. The Treasurer's Report and previous meeting minutes were accepted with one correction to the spring sale deposit (\$1372).

Plans for upcoming events were announced:

June 28 – carpool trip to Homestead Gardens in Owensville

July 12 - Flower and Photo Show

No one had volunteered a public open garden for July 13. Nancy Rold announced their annual open garden on July 4.

Sept 7 – special program by an expert from the MU Plant Diagnostic Clinic at 1:30 at the Extension Ctr. (no potluck)

The May sale at the Farmers Market was a success; thanks were extended to all donors and workers. The ability to process debit and credit cards was well received by the customers. Thanks to Patti Waterman for bringing this idea to us from another club in Region 11 and to Treasurer Carol Schultz for getting the card reader set up. The Columbia Tribune ad seemed to be effective, but might be improved by using reverse print next time or putting it under garage sales. Boone & Callaway Electric magazines were mentioned as possible publicity venues, as was the Ad Sheet and Craig's List.

Daylily Drawings for June \$100 – Clarice Brown \$50 – Yvonne Calvin

Bring Backs:

Orchid Linen - from Lloyd Calvin to Charlene Larkin

Funky Buds – from Charley & Karen Blackmore to Lois Calvin

Refreshing Splash – from Charley & Karen Blackmore to Patti Waterman

Nan Ripley Intros were auctioned:

I Can Only Imagine & It Is What It Is to Greg Pezold

Supreme Scream to Sue McConnell

Winnifred Esther to Clarice Brown

**Next meeting: Oct 12, 2014**

Respectfully submitted, Nancy Rold, Secretary
