**Fall Plant Sale
Report by CMHS Treasurer, Carol Schultz**

The fall daylily sale was successful overall, despite the heat and the slowness of the market that other vendors mentioned. Thanks to all of you who contributed to the success of the sale by contributing plants, helping at the sale, and helping publicize the sale. The public relations effort and introducing people to our beautiful daylilies seem just as important as the profit on the sales. We gained one new family membership at the picnic and several members who are not able to attend many meetings dropped by the Farmer's Market booth to pay their dues.

A real shout out and thank you to member Joan Goodwin who created a "boosted add" for our Facebook Page. She reported that the ad garnered 342 likes, 112 people shared the add giving it even more exposure and there were 21 new likes to our Facebook page. She posted pictures of the flowers people reported they were digging to bring, adding to the anticipation for the sale.

Minutes from CMHS Meeting, June 12, 2016

President Sue McConnell presided over the meeting.

Sue asked for any corrections or additions to the previous minutes and Treasurer's Report. The previous meeting minutes and treasurer's report were accepted as published.

Old Business

The issue of our club holding a regional meeting was again brought to the attention of the group. Carol Schultz moved and Patti Waterman seconded a motion that CMHS co-host the 2019 Region 11 convention with the Ozark Daylily Society (Springfield). During the

discussion on the motion, several issues were raised. The motion was withdrawn by the maker and seconder.

Carol Schultz moved and Karen Blackmore seconded a motion the CMHS begin negotiations with the Ozark Daylily Society about terms and conditions that would give CMHS co-host status for the 2019 Summer Regional meeting. Specific agreement on budget, financial agreements and an agreement on division of profits (if any) should be discussed. The motion carried. Carol Schultz agreed to contact the Ozark Daylily Society President to begin the negotiations.

New Business

Jessie Emmons reminded everyone about the Daylily Show at the State Fair in August.

Program: Preparing for the Flower Show

Tags and labels for the Show are available at Sue McConnell’s house.

Alice provided the program on the Design categories for the Show showing examples of the back drops available and the components of each category.
